

Justinas Tomas Janovskis

Software Engineer | Full Stack Developer

Phone: 760-224-5283 | E-mail: justinasjano@gmail.com | Vista, CA 92081

Portfolio: <https://justinasjanovskis.github.io/Portfolio/>

Recent Computer Science graduate from CSUSM, Summa Cum Laude (4.0 GPA) with hands-on experience in full-stack development, AI models, machine learning, and embedded systems. Passionate to learn various developing technologies through challenging projects and creative solutions.

SKILLS

Languages: Java, C++, Python, C, JavaScript, SQL, Kotlin, Assembly

Frameworks/Libraries: React, FastAPI, Firebase, PyTorch, TensorFlow, Android SDK, Mbed OS, scikit-learn, SQLAlchemy, Pillow, NumPy, OpenCV, Keras

Tools/Platforms: AWS, Firebase, MongoDB, Hostinger, Colab, Figma, Wireshark, Github, Docker

EXPERIENCE

Mathematics Tutor

Rancho Buena Vista High School

November 2020 – March 2021

- Tutored other students weekly, explaining complex math concepts and assisting with homework ranging from algebra to calculus.

EDUCATION

California State University - San Marcos, CA

2023-2025

Computer Science, B.S.

Summa Cum Laude (4.0 GPA)

Dean's List (All Semesters)

Relevant Coursework: Operating Systems, Computer Networks, AI & Machine Learning, Software Engineering, Databases, Data Structures

Projects

Capstone Project – apprAIsE

- Worked in a group alongside a Qualcomm mentor to create an AI-benchmarking leaderboard platform.
- Designed and implemented model evaluations based on different Qualcomm Snapdragon chips.
- Developed a robust backend architecture that supports scalability and handles custom user inferences.

Smoke and Fire Detection

- Built a Fire and Smoke detection system using YOLOv8 and YOLOv12, and transfer learning techniques.
- Trained and tested the models on a custom dataset of 8000 images, achieving decent accuracy of 76%.

Pomodoro Timer

- Fully built and programmed a Pomodoro timer using Arduino and OLED displays.
- Implemented session tracking, customizable timers, and a multiplexer to support multiple displays.
